

The Pig, The Worms & You! PT. 2

The Judgment! Yes, your name has been called to appear before the **“Judgment Seat of Christ”** for it is alleged that you are indeed guilty of **“Eating Pig’s Flesh,”** a meat which is totally forbidden by the: **Word of God! (Deut 14:8).** Hence, God’s children should not be eating **IT! Lord: Are you sure?** After-all, my pastor has told me: **“All meats are now clean.”** In fact, **‘his’** meat-eating-words-are: **“Just pray over IT, and then eat IT!”** So, what’s the big deal Lord, and why am I being judged for **“Feasting on Pig’s Flesh?”** I’m sure; there are greater sins that are being committed, so stop being so old fashioned Lord. Why, this is a: **New Dispensation!**

Oh, my child, your pastor has been lying to you. For the **‘Health Laws’** which are recorded in the Holy Writ, are the: **“...Same yesterday ...today, and forever.”** Jesus Christ has put them in place for His children. Hence: **“Be not carried about with ‘divers and strange doctrines.’** For [it is] a good thing that the heart be established with grace; not with (forbidden) meats, which have not profited them (the children of Israel, neither us.) **HEBREWS 13:8, 9.**

Friends, does the name **“Rev”** Gene Robinson, ring a bell? Yes, he is the first openly gay Episcopal bishop a divorced father of two adult daughters, who divorced his beautiful wife not for another woman, but for his gay lover, which the Bible calls an **“abomination.”** (Lev 20:13).

Now, this gay Episcopal bishop has told a crowd of about 200 that come June (of 2008) he’s marching down the aisle with **‘his’ LONGTIME ‘male partner Mark Andrew.’** In fact, **“I always wanted to be a June bride,”** said Bishop Gene Robinson at a talk on Nov. 27, 2007, at Nova Southeastern University. **“It may take many years for religious institutions to add their blessing for same-sex marriages and no church, mosque or synagogue should be forced to do so. But that should not slow down progress for the full civil right to marry,”** Robinson said. **“Because New Hampshire will have legal unions beginning in January, my partner of 20 years and I will enter into such a legal union next June.”** **WHAT!**

Robinson also emphasized that scripture must be viewed in its historical context. Citing specific verses in **Leviticus** calling **‘male homosexual acts an abomination,’** Robinson noted that the same **‘holiness code says EATING PORK is an abomination’** and that children cursing their parents is punishable with death. Did you get that, my friend? In other words, **“if homosexual acts are wrong, so is eating pork!”**

Make no mistake about, all **“un-repented”** homosexuals and lesbians, plus all **‘finger-licking’ ‘Pork Eating’** men, women, boys and girls will be burned with fire, and that is a Biblical fact.

For recorded in the Holy Canon are these words: **“For, BEHOLD, the LORD will come with (WHAT?) FIRE, and with his chariots like a whirlwind, to render his anger with FURY, and his REBUKE with ‘flames of fire.’** For by **FIRE** and by his **SWORD** will the **LORD ‘plead with ALL flesh:’** And the **SLAIN** of the **LORD** shall be **MANY.** They that **‘sanctify themselves, and purify themselves’** in the gardens behind one [tree] in the midst, **EATING SWINE’S FLESH,** and the **ABOMINATION,** and the **MOUSE,** shall be **CONSUMED TOGETHER,** saith the **LORD.”** **ISAIAH: 66:15-17.**

So, my friend, the next time you are tempted, to eat some: Pork and Beans, Pepperoni Pizza, Short Ribs, Bacon Strips, Pork Chops or some Pig Feet Souse, etc. Remember: **“Blessed [is] the man that ‘endureth temptation:’** For when he is tried, **‘he shall receive the CROWN of LIFE,’** which the Lord hath promised to **THEM** that **LOVE HIM (John 14:15).** Hence, **“Let no man (or woman) say, when he is tempted (to buy pig’s flesh), I am tempted of God: for God cannot be tempted with evil, neither tempteth he any man (to eat pig): But every man is tempted, when he is drawn away of his own lust, and enticed.** Then when lust hath conceived, it bringeth forth sin: And sin, when it is finished, bringeth forth death. Do not err, my beloved brethren. **(Friend) Every good gift and every perfect gift is from above...**” **JAMES 1:12-17.**

MEAT AND COLON CANCER PART 1

Today’s information is taken from the book **Proof Positive,** by Neil Nedley. **“Studies at Harvard University found that eating red meat daily increases a person’s chances of colon cancer 2 1/2 times more than someone who NEVER ate meat. The classification of red meat for this study was, beef, pork, and lamb. Examples included roast, steaks, ham, meat lasagnas, sandwiches, stews, casseroles, hamburgers, hot dogs, bacon, sausages, salami, and other luncheon meats. Persons eating these meats daily have a 149 percent risk of getting cancer. Five to six days per week the risk was 84 percent. Even those eating meat one to four times per week had a 39 percent risk of getting colon cancer. The group with the lowest risk was those who never ate meat, or those who ate it less than once per month. Other studies also showed that eggs, fish and fowl led to colon cancer.”** **Why not consider becoming a VEGETARIAN today!**
