

# The Pig, The Worms & You! PT. 3

**Crucify Him! Crucify Him!** Familiar words? Indeed they are! For it was over 2000 years ago that Satan led a cruel angry mob, comprised of “chief priests, elders, scribes and the whole council,” who **‘abused’** and then **‘finally crucified’** the **‘Saviour of the world!’** But why; when Pilate said: “To the chief priests and [to] the people, I find no fault in this man (Jesus). But still, they: “Cried out all at once, saying, away with this [man] (Jesus), and release unto us Barabbas: Who was rebellious and a murderer...” LUKE 23:1-56; 24:1-3. But, low-and-behold, 2000 years later, today’s chief priests, better known as (Bishops, Pastors, so-called “Revs” and many lay-people) are once again saying: **Crucify Him!** Nevertheless, it is still a terrible thing for human agents to **SIN**, for when they do, they: “...Crucify to themselves the Son of God afresh, and put Him (Jesus) to an open shame.” HEBREWS 6:6. Yet, the message of all time remains the same: “Behold the Lamb of God, which taketh away the **SIN** of the world.” JOHN 1:29.

Sadly, there are Pastors who are being paid **“handsomely”** by our Lord, who have **‘out-rightly-rejected’** the Biblical **“No-Pork-Eating”** counsel founded in Leviticus 11:7 and Deuteronomy 14:8, thereby telling their members to: **Pray first, then eat!**

Last week, I received such a heart-breaking e-mail from T\_\_\_\_\_ W\_\_\_\_\_. (T W) wrote this after reading: **“The Pig, The Worms and You!” PT’s 1 & 2.** “Minister Miller wow! I have been eating pork all my life, as a matter of fact there is pork processing right now LOL (Laugh Out Loud).” But quietly, T W went from LOL to this: “How do I fix this? Or is it too late? Can I fix these health risks (intestinal disorder—stomach cramps, nausea, muscular aches, pains and stiffness. Sometimes there are headaches and nervous symptoms) and will it be extremely costly, pay check wise?” “I almost feel ignorant (wrote T W) ‘CUZ’ my pastor would encourage rabbit, rat and frog eating as long as we **“PRAY OVER IT.”** Matter of fact, “he says any country you go to as a saint you must eat according to that countries custom if served it during your ministry.” Then T W wrote this: “However now that I think about it... the “saints” that were seldom in the wilderness were not relieved of hunger by “carcasses” or such but really by manna and bread and water” T W wrote. What a **“bitter-sweet”** story. Bitter because in **‘ignorance’**, T W, along with countless others have eaten one of the most deadliest animals ever, namely: The pig! Sweet, because T W wants to know how: **“Can I fix these health risks?”** Friends, if you find yourself in the same position as that of T W, the Bible says: **“IF** thou wilt **DILIGENTLY HEARKEN** to the **VOICE** of the **LORD** thy God (and not these lying pastors), and wilt **DO** that which is **RIGHT IN HIS SIGHT**, and wilt give **EAR** to **HIS commandments**, and **KEEP ALL HIS statutes**, I (God) will put **NONE** of these **DISEASES** upon thee, which I have brought upon the Egyptians: For I [am] the **LORD** that **HEALETH thee.**” Amen! EXODUS 15:26. **Good-News: Is It Not?**

But sadly, many will discard the good-news, to such, God says: “I have spread out my hands all the day unto a rebellious people, which walketh in a way [that was] not good, after their own thoughts; A people that provoketh me to anger continually to my face; that sacrificeth in gardens, and burneth incense upon altars of brick; Which remain among the graves, and lodge in the monuments, **“which eat swine’s flesh,”** and **‘broth of abominable [things is in] their vessels;**’ Which say, Stand by thyself, come not near to me (Lord); for I am holier than thou (Lord). These (said the Lord) [are] a smoke in (His) nose, a fire that burneth all the day. **Behold,** [it is] written before me (said the Lord): I will not keep silence, but will ‘recompense, even recompense into their bosom,’ your iniquities, and the iniquities of your fathers together, saith the **LORD**, which have burned incense upon the mountains, and blasphemed me upon the hills: Therefore will I measure their former work into their bosom. ISAIAH 65:2-7. **Sobering, just sobering!**

## MEAT AND COLON CANCER PART 2

Dr. Walter Willett, the Harvard study’s lead author, and his collaborators raised the question of whether they were observing an effect of red meat per se or whether these risk differences were due to saturated fat consumption. “In favor of the saturated fat explanation, women who ate more animal flesh products that were lower in saturated fat (such as chicken without the skin, or fish) lowered their colon cancer risk relative to the average nurse. Indeed, the Harvard group felt that a large part of the relative benefit of eating fish and chicken was due to their having less saturated fat than red meat. For example, beef contains about 10 times as much saturated fat than polyunsaturated fat, while chicken has close to equal amounts and fish tends to have significantly more polyunsaturated than saturated fat. Regarding the cancer risk of eating fish or chicken, the study did not show that they lowered cancer risk. They simply may not raise the risk as much as other meat. It is important to point out that those eating the most fish had relatively more cases of colon cancer than those eating fish rarely or never.” Taken from the book Proof Positive, by Neil Nedley. **Eating Right Time Starts: NOW!**
