

SEX: In Your Face! PT.2

Last week, we were encouraged to read PT.1 "In the Spirit", for without IT, we would not have been able to answer the question: **Truthfully!** Now, Eight (8) days have passed since the question: "Are you for sale" was put forth to every grandmother, mother, sister and little girl. Thus, the time is here, and the time is now; to answer the question: "For Sale: Or Not for Sale?" Well, make no-mistake about IT, the 'spinning' stops here! For be it known unto you this day, if you are one who "LOVES" dressing so that your breasts, hips, thighs or belly can be exposed in anyway: **You are for sale!** And that is a fact! In fact, it is only a matter of time before you are offered a price; that is if it has not occurred as yet. Notwithstanding, there are many women, young and old who are now adding insult to injury by exposing their body parts on the 'world wide web.' Yes, God's children, the young and the old are taking pictures and videos of themselves, and placing them on internet sites such as: **You-Tube, My-Space, Face-Book and Hi-5, etc.** And like I said last week, "SEX: In your face" and they are not ashamed! Thus, the mind-set of Cain is being repeated! Why, many are now saying: "[Am] I my brother's keeper?" GENESIS 4:9. If he falls because I am exposing myself, well, too bad for him. **Sad, is it not?** No-wonder, grandmothers, mothers, sisters and little girls are being sexually assaulted: **Here there and everywhere!** Not to mention, the many cases where innocent victims are now being raped, in the Bahamas and around the world. But, what right does a man have to 'rape' a woman who just "LOVES" exposing her body parts? He has: **No-Right!** But, the fact of the matter is; men who are demon-possessed are taking what they want at any cost. Therefore, should not those who stand guilty of this demonic act: "Put away the evil of (their) doings from before mine eyes (said the Lord); (therein) ceasing to do evil; (and) learning to do well." ISAIAH 1:16, 17. Have we forgotten that it was God and **NOT** Satan who created sex? 6000 years ago: "Both... the man and his wife, were naked" and were not ashamed. But after man sinned God covered their **nakedness** when He made Adam and Eve: "Coats of skins, and clothed them." GENESIS 3:21. In other words, their clothes were long enough, wide enough and loose enough thus every part of their body was properly covered. And yes, it was God and not Satan who told Adam and Eve to be sexual: "...Be fruitful, and multiply, and replenish the earth..." GENESIS 1:28. But who cares about what God has to say today? Thus, on March 11, 2007 CNN reported that: "At least **one in four teenage girls** nationwide have a sexually transmitted disease (STD), or more than **3 million teens**, according to the first study of its kind in this age group (ages 14 to 19). The study also revealed that: "Nearly half of all African American females tested, had at least one sexually transmitted disease." For many, the numbers may seem: "Overwhelming because you're talking about nearly half of the sexually experienced teens at any one time having evidence of an STD," said Dr. Margaret Blythe. Yes, Jesus told us "**pestilences**" (disease **Matt 24:7**) are a sign of the end! But, not to be outdone is Satan, for he is working overtime to bring the Church for whom Christ died to a down-low! For we are living in a time when women, so-called "Christian" women are standing in church pulpits preaching and singing for Jesus, but are dressed like their mother: **Jezebel.** Yes, the spirit of Jezebel has taken over and once again they are standing in the holypulpits with their breasts and other body parts being exposed. And to make matters worse, a few weeks ago one so-called "Prophet" Arthur Duncombe brought a popular Jamaican female deejay Macka Diamond to allegedly demonstrate the dance move known as the "Belly Yuck" to his congregation. What was the so-called justifiable reasoning behind this "**demonic**" move? According to the so-called "Prophet": "Teaching his congregation the "Belly Yuck" was a means of helping them to keep their husbands from being enticed away" he said. Surely, it was the "**melodious voice**" of Satan and **NOT** Jesus that said: "Prophet" Duncombe bring in: "Jamaican female performer Macka Diamond, yes, the dance hall singer known for singing the popular song "Bu'n Him" to help **US** in our seminar which will be entitled "Angels By Day, Monsters By Night" why, such a conference will help married and engaged couples, to keep their husbands. **WHAT?** Friend, the only thing that can help a husband and a wife to love each other "**to- the-end**" is when God reigns supreme upon their hearts! No "Belly Yuck" can do that my friend! The Spiritual fact of the matter is: "**No Holy Spirit in-the-life: No-Husband/No-Wife!**" Yes, **you can give him or her all the SEX** and "Belly Yuck" you can muster up; it will **NOT** keep him or her from: "**FALLING!**" For the Bible said: "Walk **IN** the **Spirit** (my friend), and ye shall **NOT** fulfill the **lust of the flesh.**" GALATIANS 5:16. For this cause, John wrote: "Beloved, believe not every spirit, but try the spirits whether they are of God: Because many false prophets are gone out into the world." 1 JOHN 4:1.
